

Summer 2

08.07.22

I am delighted to share another week of fun and adventures with you all. I hope everyone has had a lovely week and hopefully we will have lots of sunshine this weekend. This term has really flown by. I am really impressed that we have managed to fit in lots of activities, sporting events, assemblies, guest visitors, all alongside our day to day curriculum delivery. I would like to remind you that **school is closed for Eid on Monday 11th July and Tuesday 12th July**. Enjoy your celebrations with families and we will see you back in school on **Wednesday 13th July**.

Make sure to check out our Twitter **@ThornburyPLA** and Class Dojo as we love to keep you posted.

Cooking celebrations

Our super cooks have worked hard all year to learn how to cook so we decided to cook for them this week instead - they really enjoyed their vegetable rice, samosa and pakora. Thank you Mrs Shah and Mrs Hussain.

What children eat and drink during their early years can affect their health for many years to come. General eating habits are formed in the first few years of life, so it is important that we encourage our children to eat nutritious food.

Please ensure your child has their seatbelts on in cars, it could save their life!

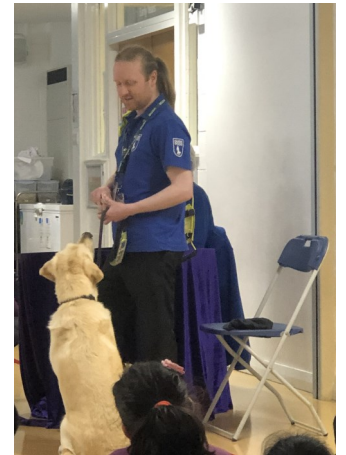

Reception went on a bear hunt!

Children in Reception had a trail down to Nell Bank. What a fantastic day it was. They had a range of activities to keep them on their little toes from pond dipping to nature walks, water play, bear caves and much, much more.

Guests @ Thornbury

Thank you to Chris Towers and Jaegar for the wonderful assembly. Chris Towers is visually impaired and Jaegar is an assistance dog that is trained to lead visually impaired/blind people around obstacles, what a clever dog he is!

Happy Eid!

We would like to take this opportunity to wish you all a lovely Eid with your family and friends. We hope this day brings you lots of happiness. Eid Mubarak from everyone at Thornbury!

Year 6 Transition

We will be saying goodbye to our Year 6's very soon. We would like to take this opportunity to wish them all the best on their new journey to secondary school. We will miss each and everyone of you, you have all been a pleasure to teach. We have loved watching you all develop and grow into confident individuals.

Parents/carers, please remember to support your child through this phase as most children will experience a roller-coaster of emotions from excitement to anxiety of a new school.
