

Dear Families,

20-5-22

We are delighted to share our first weekly newsletter with you. As there are so many things happening each week, we felt it was necessary to share our successes and also keep you informed on a more regular basis. Please don't hesitate in speaking to our staff if you need any further information. Mrs Daddy

Queens Jubilee

We are celebrating the Queen's Platinum Jubilee on Thursday 26th May and would like the children to come in dressed as Kings or Queens or in red, white and blue with crowns or tiaras. Please support us in making this a real royal day to remember. Thank you.

We are so proud of our Year 6s this week. They have really done us and especially you proud when completing their first formal SATs tests. They all tried their very best and there was no fuss. We know they have worked hard and fingers crossed they will reap the rewards. Please take time to give your son or daughter a big hug and tell them how proud we all are - they deserve it! A huge well done to everyone - including parents and families - your support has been invaluable!

Zoha Zayarat has won the STAR Innovator Challenge for all the STAR schools, coming in 1st place.

She received her certificate, presented to her by Mrs Crum, who leads primary Science across the STAR schools.

Well done Zoha!

You are a STAR!

Please can we remind parents to ensure children are fastened with a seat belt on the school grounds. It is the law and will help your child be protected. When driving into the school, please make sure you are driving at 10 MPH as speeding can lead to negative outcomes.

Community Champion - Homera Najib - Bursar from Bradford Grammar School

Homera visited our school with the purpose to inspire, raise aspirations and ambitions for our children.

Children loved it and were definitely inspired.

#GreatSuccess

Leadership Thought of the Week
