Nurturing Today's Young People, Inspiring Tomorrow's Leaders

Dear Parents/Carers,

Welcome back to another weekly newsletter! It has been a short yet productive and fun term. We will be heading into Summer Term 2 after the holidays, our final term for this academic year! Where has time gone! Well done to all our pupils for their hard work, and their constant determination to deliver our STAR values. Keep it up!

We wish you all a happy, restful half term break.
School is now closed and re-opens for all pupils on Monday 5th June.

Important!

Please can we remind parents to be considerate of those who live around us and their properties/driveways when parking. Please do not block nearby residents or our barrier. We request you to park in a safe place leaving room for plenty of access.

Thank you.

Uniform selling event (Pop up shop)

We'll be approaching that time of the year again where parents may need to purchase school uniforms for the new academic year. **Our uniform pop-up shop will be held in the school hall on Tuesday 18th July 2023 from 2.30pm to 5.30pm.**

This will give you and your child the chance to try on or even purchase your child's school uniform for Sept 23. You will be able to have the full uniform fitting experience. The full range of branded school uniform and sports kit items will be available in all stocked sizes.

Portable changing rooms will be available and Stevensons staff will be on hand to take measurements and provide advice on sizing. Items can be purchased at the event and taken away on the day, or pupils can try on items to check sizes and then order online at a later date. Payments are to be made via card. We will be sending letters out with further information next term. Thank you.

Leave of absence during term time

Please do **NOT** book any holidays during term time as this will negatively impact your child's attendance, you could risk getting a large fine as well as risking your child's place at Thornbury. Every day matters, absences mean missing out on several hours of learning, and could potentially put your child behind with their work.

Food for life

We have joined the food for life campaign which will support our school to improve health, wellbeing and motivation of our pupils. We are aiming for the bronze award, this is a fantastic opportunity to provide healthy school meals, great lunchtime and food education which will have a positive impact on our pupils. For further information, please visit: [Schools Award - Food for Life](#)

Eat your 5 a day

What children eat and drink during their early years can affect their health for many years to come. General eating habits are formed in the first few years of life, so it is important that we encourage our children to eat nutritious food.

Packed lunch

We have noticed a lot of packed lunches do not contain nutritious and filling meals. Please don't send your child in with only snacks. This is not a filling dinner. Your child requires the correct nutrients to help their growing bodies and mind. It will also help them stay focused in class and keep their bellies fuller for longer.

Did you know?

Did You Know?

- ✓ The only fruit that has its seeds on the outer skin is the strawberry.
- ✓ The only vegetable or fruit that is never sold frozen, canned, processed, cooked, or in any form other than fresh is lettuce.
- ✓ Almonds are members of the peach family.
- ✓ Tomatoes are a fruit.

Polite reminder:

Children should **only bring water** and no juice or flavoured water. We have water jugs on each table so they can also access this.

The sun is shining

The weather is certainly getting warmer (let's hope it stays like this!). Children will want to play outside as much as possible. Please remember to use good sunscreen and for children to wear hats when outside. We are happy for children to bring hats to school to wear at break and lunchtimes. Please can we advice all parents to send their child to school with a water bottle to keep your child hydrated and refreshed throughout the day.

Trip to Nell Bank

On Tuesday 6th June, Reception are visiting Nell Bank. Please remember to send them in with a raincoat and PE kit. If the weather is sunny, children must bring a sun hat and wear suncream prior coming to school.

- Drink plenty of water
- Wear lots of sunscreen
- Wear a sun hat
- Wear sunglasses
- Try to play in the shade
- Make sure children are under adult supervision
- And lastly don't forget ice-cream!

Hunny Bunny

Reception have a cuddly little bunny, he is extremely friendly, soft and a good friend! He always needs a home on the weekends. If you are interested in helping us out, please speak to the main office or Miss O'Dowd in Early Years. You will need a car as his cage is quite large. We will provide everything he needs for the weekend. Thank you!

Hayfever

As we enter the summer season children with hay fever can find this time of year difficult, symptoms can make them uncomfortable.

Symptoms include:

- Runny nose
- sneezing
- Itchy or watery eyes
- Coughing

Hay fever is sometimes mistaken for a summer cold, but the tell-tale symptom is itching. This suggests hay fever rather than a virus. Also, the discharge from the nose is clear and watery with hay fever, rather than green or yellow, as it is with a cold.

Thankfully, hay fever is manageable for most children using over the counter antihistamine medication. If your child has a severe reaction, it may be necessary to speak to a pharmacist or doctor.

Though hay fever can cause discomfort it is not an illness, unless the reaction is severe, antihistamine should be administered, and your child brought in to school where we will be happy to monitor them and contact you if there are any concerns.

Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the Internet.

Fun mosaic pictures with colourful foam tiles. The children matched the colour of the tiles to its number to create their mosaic picture!

We made yummy tuna broccoli pasta bake!

Delicious trifles in the making. We made strawberry jelly, filled it with custard and topped them off with squirty cream. Yum !
