

Dear Parents/Carers,

I hope this newsletter finds you and your families well. We have reached the end of a wonderful term. It has been a super fun and busy term for our pupils. I would like to take this opportunity to thank all pupils for their hard work, and their constant determination to deliver our STAR values. Well done!

Please can we remind parents that breakfast club payment can only be paid via ParentPay. Unfortunately we do not accept cash. If you require further assistance, please get in touch with the office.

If your child has an appointment or is going to be absent for the day, can parents please inform the office staff to make sure your child gets the correct register mark.

The weather is improving and children are keen to play out with their friends. But, do you really know where they are, who they are with and what they are doing? We strongly recommend that all children of primary school age are supervised by a responsible adult when enjoying the great outdoors. There is a lovely world out there with local parks, woodland and places of interest - we just want to be sure that our children can experience it safely.

We celebrated the Queens Platinum Jubilee on 26th May. Everyone looked wonderful in their royal costumes.

Pupils enjoyed a royal themed lunch and each year did work on decades.

Fun Fact

*The Queen can
speak fluent
French!*

On 10th May, we had The Smoothie Bike in school, the purpose was to encourage a healthy eating . Children peddled their way to a smoothie with a wide variety of fresh fruit to choose from! Everyone was very active and refreshed!
